PERSONAL STATEMENT

I come from China, I moved to Danmark with my family 5 years ago and I have around 14 years of working experience in the field of international trade and e-commerce. I have worked as a senior merchandiser for two famous international clothes companies, the Children's Place and Cache-Cache Groupe Beaumanoir for many years, so I have extensive experience in retail, marketing and e-commerce platforms.

I am good at coordination and cooperation. I have strong analytical and problem solving skills. I am optimistic, positive, responsible and can work under stress. I can provide strong support to my boss and colleagues. I can write and speak Chinese, English and Danish fluently. I am passionate about keeping up to date with the latest technologies coming on to the market and am dedicated to working in the multimedia designer industry.
